Healthy food every day

Offer · Christmas 2026

Christmas gift boxes for companies

A gift that won't end up in a drawer.

The notebook ends up in a drawer, the pen in the car, the chocolates at reception by ten in the morning. A box of our spreads ends up on the table. We have made our spreads in Croatia since 1996; you will find them in Konzum, Spar, Kaufland and Plodine.

for the clients who matter most
